STAT

My dear Friend:

Thank you very much for your two recent letters. It is always a great pleasure to hear from old friends and to know how things are going with them. I have told all our other friends your news, and everyone has found it most interesting to have had word from you.

With very best wishes, believe me,

Sincerely,

S/RM/R - Disp. 18 Aug 47  
R. H. HILLENKOETTER
